Application No. 09/473,558  
Amendment dated October 20, 2006  
Reply to Office Action of July 20, 2006

**REMARKS**

Claims 1-11 and 13-15 are now present in this application.

Claims 1-11 and 13-15 have been amended, and claim 12 has been cancelled without prejudice or disclaimer.

**Objection to the Claims**

Claim 9 stands objected to for an informality. In view of the foregoing amendments, in which "said network port" has been changed to --said network ports--, it is respectfully submitted that proper antecedent basis is provided. Reconsideration and withdrawal of any objection to the claims are respectfully requested.

**Rejections under 35 USC 102 and 103**

Claims 9, 10 and 12 stand rejected under 35 USC 102(e) as being anticipated by Kloth et al., U.S. Patent 6,147,993. This rejection is respectfully traversed.

Claim 10 stands rejected under 35 USC 103 as being unpatentable over 35 USC 103 as being unpatentable over Kloth et al. in view of Ciotti Jr. et al., U.S. Patent 6,421,731. This rejection is respectfully traversed.

Applicant gratefully acknowledges that the Examiner considers claims 11-15 to contain allowable subject matter. Without conceding the appropriateness of the Examiner's rejections, but simply to expedite prosecution of this application, it is noted that the limitations of objected-to but allowable claim 12 have been incorporated into independent claim 9. Accordingly, claim 9

and its dependent claims should now be in condition for allowance. Reconsideration and withdrawal of the 35 USC 102 and 103 rejections are respectfully requested.

Allowable Subject Matter

Applicant gratefully acknowledges that the Examiner considers claims 1-8 to be allowable, and claims 11-15 to contain allowable subject matter. In view of the foregoing amendments and remarks, it is respectfully submitted that all claims should be in condition for allowance.

Amendments to the Claims

The foregoing changes to the claims should not contain new matter or affect the noted allowability thereof. These changes were not made as a statutory requirement of the Examiner.

Conclusion

Favorable reconsideration and an early Notice of Allowance are earnestly solicited.
